

PSI is pleased to announce that it has signed a multi-year agreement with **Office Beacon** to offer PSI Members **outsourced artwork and digitizing services** from India. "PSI is excited to offer Office Beacon artwork and digitizing services as a new PSI Member benefit", Project Manager Kai Mentrop says. "Office Beacon is renowned for high-quality work and a favourable rate". Pranav Dalal, President and CEO of Office Beacon, commented: "We are really excited about working with PSI Members all around the world. We look forward to providing '**PSI Member-only pricing**', fast turnaround times and customer support in German and English." Some of their European customers already include PF Concepts, Mid-Ocean and BIC Europe".

About Office Beacon - Office Beacon is an 800 employee outsourced graphic services company with production facilities in Vadodara, India. Since 2001 it delivers exceptionally high quality services, combining Indian local talent working alongside European and North American employees, both based in their state-of-the-art, "around-the-clock" production facility in India.
